Disclaimer

This is solely for SenFin Securities Limited (SSL) clients' information and is not construed as investment advice. It is also not intended as an offer or solicitation to purchase and sell any financial instruments. This document/report is prepared based on publicly available information, internally developed data, and other sources believed to be reliable. The information and opinions contained in this document/report are based upon information obtained from sources believed to be reliable and made in good faith. Such information has not been independently verified and no guarantee, representation, or warranty, express or implied is made as to their accuracy, completeness, or correctness. All such information and opinions are subject to change without notice. This document/report is for information purposes only, and the description of any company or its securities mentioned herein is not intended to be complete. This document/report is not, and should not be construed as, an offer, or solicitation of an offer, to buy or sell any securities or other financial instruments, and SenFin Securities Limited or its employees or associates cannot be held responsible for any losses or gains. The recipient of this report must make their own independent decision regarding any securities, investments, or financial instruments mentioned herein. SenFin Securities Limited (SSL) its directors, officers, consultants, employees, and associates, will not be responsible, for any claims of damages, compensation, suits, damages, loss, costs, charges, expenses, outgoing or payments including attorney's fees which recipients of the reports suffers or incurs directly or indirectly arising out of actions taken as a result of this report. The contents herein should not be construed as investment, legal, or tax advice. Investors should seek independent professional advice to ascertain (a) the possible tax consequences, (b) the legal requirements, and © any foreign exchange restrictions or exchange control requirements that may be encountered under the laws of the countries of citizenship, residence, or domicile. Past performance does not guarantee future returns, there can be no assurance that investments will achieve any targeted price levels or rate of return. None of the material, nor its content, nor any copy of it, may be altered in any way, transmitted to, copied, or distributed to any other party, without the prior express written permission of SSL.

Investment involves risk and securities, financial instruments and investment strategies mentioned may not be suitable for all investors. Please ensure that you fully understand the risks involved. As a general rule, you should only trade in financial products that you are familiar with and understand their risk. You should carefully consider your investment experience, financial situation, investment objective, and risk tolerance level and consult your independent financial adviser as to the suitability of your situation before making any investments.
